

Club Maspalomas Suites Spa

Descriere Club Maspalomas Suites Spa 4*

Welcome to an experience that will make you escape from routine and abandon yourself to leisure and relaxation. An experience for adults only. A fusion of sensations where comfort, privacy, the sea and the dunes are the exceptional protagonists. Club Maspalomas Suites amp; Spa is a resort completely refurbished with great attention to detail, where respecting at all times the nature of the surrounding environment, a unique fusion has been achieved between traditional architecture and the most modern comfort, allowing guests to enjoy stunning tropical gardens, surrounded by Canary Island palm trees and native vegetation. A careful service, a high level gastronomy and a wide range of treatments in our spa, will make your stay an unforgettable experience.

Our hotel is located in the heart of Campo Internacional, 2 km away from the beach of Maspalomas and the important promenade/shopping area of Meloneras.

TYPE OF ROOMS AT CLUB MASPALOMAS SUITES amp; SPA (ADULTS ONLY)

Undoubtedly, the privacy offered by each of the rooms in this horizontal hotel is one of its great attractions. Each room has a garden area where you can sunbathe and relax in hammocks for exclusive use, as well as a perfectly furnished terrace to enjoy the tranquillity and comfort of this paradise. Despite the small number of units, guests can choose from a wide range of room types, among which it is worth mentioning the junior suites with private garden, Jacuzzi, outdoor shower, or the double deluxe rooms with open air Balinese bath or the spectacular Balinese beds.

Club Maspalomas Suites amp; Spa has created Gold Gym, a large and complete gymnasium to meet the expectations of the most demanding of clients. The fitness area, as well as the cardio-muscular exercise equipment, will satisfy the needs of both amateur and professional sportsmen and women. As a perfect complement to these facilities, the spectacular swimming pool has a swimming lane of semi-Olympic dimensions.

Our open-air SPA offers everything the body and mind need to reach a state of total relaxation. Featuring a magnificent swimming pool with air hammocks, jets and waterfalls, with a steam bath, Finnish sauna, ice fountain and themed showers and all surrounded by a large solarium with sun loungers where you can enjoy the sun and tranquillity. And to reach your ZEN state we have created a massage and beauty area with specialised therapists. This offer is the perfect complement to enjoy a dream holiday where you will discover the intense sensation of well-being.

Free shuttle service to the beach and transfer to the airport (for a fee) is included.
